EXPERIENCE

Georgia State University Software Systems graduate interested in areas of UX/UI, Web/Mobile Application Development, and Game Design. Known for having a detailed driven focus when creating and implementing simple and effective solutions.

Web/Mobile Application Design

2020 - Present

Figma | Personal Projects

A collection of projects that increased my knowledge and performance of user experience and user interface functions. Designing/Redesigning websites to become the most simple and efficient for both the user and the company.

- The Dyslexia Foundation - A redesign of the donation page
- Sunnyside* - A redesign of the whole webpage with a mobile application design to accompany
- Orange Nike - A simple webpage for orange Nike shoe releases

Game Design

March 2020 – May 2021

Web Development/Game Development | Prison Break

- Russian based Prison Break game
- Must navigate a gulag to find items aiding your escape
- First coded in HTML, CSS, JS – Remastered in Unity

Mobile App Developer (UI)

Android Studios | Hiking Application

Jan. 2021 -May 2021

- 3-D topological map application with built in altitude tracker
- Designed using Figma, coded using Android Studios
- Focus on front-end, documentation, and customer experience

Android Studios | The Shade Room

Aug. - Dec. 2020

- Mobile application game played by selecting the darkest color shade out of colored squares shown.
- Coded in Java with Android Studio, contribution of the user interface.
- First experience with the complexity of user interface, limited vectors, and color scheme. Sparked interest in UX/UI

Data Structure Project

March 2019- May 2019

Eclipse | Contacts Application

- Data Structure Contacts application conducted in Java using Stacks, Queues, and Binary Search Trees
- Includes Names, Phone Numbers, Recent Calls, and Missed Calls

EDUCATION

Georgia State University | Bachelor of Science in Computer Science – Software Systems

May 2021

- GPA: 3.3/4.0
- Data Structures, System-Level Programming, Computer Organization & Programming, Discrete Mathematics, Physics II with Calculus II, Web Programming, Computer Architecture, Parallel & Distribution Comp, Mobile App Development, Design & Analysis: Algorithms, Game Design, Privacy, Software Engineering

Douglas County High School | International Baccalaureate Graduate

May 2017

- 3.75/4.0

SKILLS

Java | HTML | CSS | Figma | Agile | Microsoft Office | Windows | Android Studios | Unity | Beginner JavaScript
